

2023-2024 ANNUAL REPORT

JUNIOR LEAGUE OF
DENVER

MESSAGE FROM THE PRESIDENTS

Dear Members,

We had a fantastic 105th year as the Junior League of Denver! We kicked off the year adopting AJLI's updated Mission statement: ***The Junior League of Denver, Inc. (founded in 1918), is an organization of women whose Mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.*** The 2023-24 League year represents great progress in our continued efforts to connect talented volunteers with the Denver community to develop a better community for all.

Our Annual Report provides well-rounded highlights from a year fueled by hard work, commitment and teamwork. Our Fundraising team kept the nostalgic feel of long-standing fundraisers while innovating to ensure our efforts support our community focus. Our Public Policy Team supported four bills at a Level I (full League engagement), five bills at a Level II (council engagement) and passively tracked an additional 15 bills of interest, bringing the total to 23 JLD bills for the year. Women of the League are truly trailblazers in ensuring women have a seat at the legislative table.

Our membership is growing with 119 New Members moving into Active membership and 29 Transfers completing their transitional year as new residents of Denver. We are forever grateful to our wonderful Advisory Board for dedicating their time and talents to our newest Strategic Plan. It was a busy and remarkable year thanks to all of our dedicated members, donors and leaders!

The JLD Foundation's 17-member Board serve as fiduciaries of the League's most valuable financial asset, our JLD Foundation portfolio, providing reliable annual monetary support to sustain the JLD and its Mission in perpetuity. The Foundation has been distributing funds to JLD since 2008, totaling \$5M and underwriting about 30% of the League's budget each year. The 2023-24 Foundation Board included Active and Sustainer members, including nine Past Presidents, totaling 275 years of combined experience.

In 2023-24, the JLD Foundation continued its uninterrupted financial support with a distribution of \$353,274, an increase of \$15,000 over the previous year. The distribution is made from the JLD Foundation portfolio, which began the year valued at \$8.63M and closed May 31 at \$9.42M. We celebrated generous donations totaling \$78K and added four new members to the Helen Daly Peale Society, our planned giving group. It's an immense privilege and honor to carry forward the JLD Foundation legacy.

From our hearts, thank you for your continued dedication to this wonderful organization that links us all.

In Gratitude,
Claire & Kali

ABOUT JLD FOUNDATION

In 1992, JLD members recognized a need to provide the means to sustain the League and its Mission long term. Our League was the very first among all Junior Leagues to start a Foundation.

Since 2008, the JLD Foundation has provided distributions each year, totaling \$5M in vital support.

The funds grow through individual donations, bequests and planned gifts and investment income. The portfolio is managed by JLD Foundation Board members alongside our partner of 15 years, Innovest Portfolio Solutions.

The annual development goal is \$100,000 to offset spending and earning ratios. Your gift ensures the Junior League of Denver can continue for generations to come.

KELLY LAING DIRECTOR, 2004-05 JLD PRESIDENT

The Junior League of Denver is sad to announce that Kelly Laing Director, our 2004-05 President, passed away. Her fight with cancer ended on October 17, 2023, with her mother, brothers, husband, and family at her side.

Kelly brought fiscal responsibility and a jovial spirit to her JLD Presidency. The Junior League of Denver Foundation was in full swing but had not started to disburse to the JLD. We honor Kelly's memory always.
