

2024-2025 ANNUAL REPORT

JUNIOR LEAGUE OF
DENVER

MESSAGE FROM THE PRESIDENTS

Dear Members,

As we reflect on the past year, we're filled with immense gratitude and excitement for all we have accomplished together during our 106th year. This was the first year of implementing our 2024-2029 Strategic Plan. With bold goals and a shared vision, we embraced new opportunities to further our Mission: to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

The Junior League of Denver continues to be a powerful and much-needed community for women. It's a space where we grow through leadership development. It's a place where we actively serve our community. And perhaps most importantly, it's where we build meaningful relationships, connections with women who share a passion for service and a desire to make our city a better place. This is a direct result of the groundwork you established and nurtured over the years.

This annual report reflects the important work, passion, and commitment that our members and donors share for JLD. As you reflect upon the impact, we invite each of you to consider your personal legacy with the Junior League of Denver. How do you Give, how do you Grow, and how do you Get Connected? Together, we are building an organization where women lead, communities thrive, and every member belongs. Thank you for your dedication and your belief in the power of women's leadership. Here's to another year of growth, connection, and impact!

The JLD Foundation's 17-member Board proudly serves as fiduciaries of the League's most significant financial asset, our Foundation portfolio. Through careful stewardship, the Foundation provides reliable, annual monetary support to sustain the Junior League of Denver and its Mission in perpetuity. Since 2008, the Foundation has distributed more than \$5.5 million to JLD, underwriting 33% of the League's annual budget.

The 2024-2025 Foundation Board was composed of both Active and Sustainer members, including nine Past Presidents, bringing a remarkable 275 years of collective JLD experience to the table. This year, the Foundation continued its unbroken record of support with a distribution of \$361,602, an \$8,328 increase from the previous year.

The distribution came from the Foundation portfolio, which began the year at \$9.42 million and closed on May 31 at an impressive \$10.01 million with a nearly 7% return after the distribution and expenses. Passing the \$10 million milestone is a remarkable achievement, especially considering the portfolio's beginnings at just \$70,000 during the League's 70th anniversary.

We also celebrated a phenomenal fundraising performance this year, raising \$112,000 in unrestricted gifts, surpassing our \$100,000 goal, and welcomed four new members to the Helen Daly Peale Society, our planned giving program. It is both an honor and a privilege to help carry forward the legacy of the JLD Foundation the last 33 years. Gratefully,

ABOUT JLD FOUNDATION

In 1992, JLD members recognized a need to provide the means to sustain the League and its Mission long term. Our League was the very first among all Junior Leagues to start a Foundation.

Since 2008, the JLD Foundation has provided distributions each year, totaling \$5M in vital support.

The funds grow through individual donations, bequests and planned gifts and investment income. The portfolio is managed by JLD Foundation Board members alongside our partner of 15 years, Innovest Portfolio Solutions.

The annual development goal is \$100,000 to offset spending and earning ratios. Your gift ensures the Junior League of Denver can continue for generations to come.
